In **Bus Simulator City Ride**, players can transport passengers throughout the fictional city of Havensburg in 10 official licensed buses. All buses, districts and routes are unlocked. This is the perfect chance to drive the most beautiful routes of Havensburg with all buses from renowned manufacturers such as Alexander Dennis, MAN, and Mercedes-Benz right from the beginning.

Visitors of this year's gamescom were able to take the driver seats for the very first time. From August 23 to 28, astragon Entertainment welcomed fans and trade visitors to play a demo version of **Bus Simulator City Ride**.

Bus Simulator City Ride will be released on October 13, 2022, for Nintendo Switch™. Next to the digital release in the Nintendo eShop, a retail version will also be available in selected countries. The digital and retail version of the game will cost 34,99 EUR/34,99 USD/29,99 GBP (SRP). The retail version of the upcoming **Bus Simulator City Ride** is now available for pre-order at selected retailers and digitally in the Nintendo eShop.
